

wialon Lite

Essential fleet digitalization, simplified

Everything a fleet needs to go digital —
in one simple solution

5 reasons to choose Wialon Lite

1 Compete where others can't

Serve fleet demand at a price point that wins.

4 Your brand, your rules

White-label option means fleets see your identity.

2 Launch in days, not months

Focused features, minimal setup, fast results.

5 Room to grow

Upgrade to Wialon Hosting when a fleet outgrows Wialon Lite.

3 Keep your margins healthy

Up to 4x more cost-effective — you earn more on every vehicle.

Built on proven technology

Wialon Lite runs on the same infrastructure and technology as the full [Wialon suite](#).

20+

years in fleet digitalization

2,700

partner companies worldwide
